### CASAL GARCIA FRUITZY PASSION FRUIT. LOW IN ALCOHOL. HIGH IN FRUIT.

Casal Garcia Fruity Passion Fruit is an aromatized wine-based drink with natural flavours. It is the perfect combination of a slightly crisp white wine with the exotic and delicious character of the passion fruit. A light, refreshing and fruity drink, perfect to share in moments of relaxation and Alegria.

### VINIFICATION PROCESS. FROM BASKET TO BOTTLE.

Made from high quality grapes, the base wine is fermented at low temperatures in order to put in evidence the aromatic profile of the wine. After the wine making process, the flavours are enhanced by passion fruit aromas that exult the aromatic and fruity profile of this wine-based drink.
